

## THE STORY IS CLEAR

Till yesterday you could say I'm here  
I was thoughtless looking in such a way  
You seemed biggest, biggest than me  
I was a satellite

You a strange patient in life  
Me a doctor looking for an exit  
You were blinded by love for him  
But now you're in a jam

The story is clear, it's a bitter story  
The story is clear, it's a bitter story  
But now you're my sunbeam  
But now you're my breadcrumb  
In this dreadful world  
What can I tell you?  
I love you and I want to heal you

You and your problems, let's jump and go  
I used to take you home  
Two lives, two different games in a strange world  
Is this just a liking?

The story is clear, it's a bitter story  
The story is clear, it's a bitter story  
But now you're my sunbeam  
But now you're my breadcrumb  
In this dreadful world  
What can I say?  
I love you and I want to heal you

The story is clear, it's a bitter story
